Upgrade now to Adobe® Photoshop® 7.0, the professional solution.

Selected Sony VAIO® computers are bundled with Adobe® PhotoShop® Elements software*, which allows you to easily create professional quality digital images for print and the Web. When you are ready for a digital imaging solution that meets any creative or production demand and can handle the widest variety of image-editing tasks in the most efficient way, upgrade to the professional image-editing standard, Adobe Photoshop 7.0, with this special offer.

For a limited time, VAIO products customers can upgrade to Photoshop 7.0 - a U.S. \$600 value - for just \$299!

**To upgrade, call 1-800-492-3623 and mention source code 74105.
Or order online at www.adobe.com/offer/74105**

*You will need to provide your unique Photoshop Elements serial number when ordering the upgrade to Photoshop 7.0. This number can be found on a card included with the recovery CD packaged in your VAIO box. Please note that some VAIO models ship with a 30-day trial version of Photoshop Elements. In those circumstances, users must purchase the product trial unlock code and unique serial number prior to qualifying for this Photoshop 7.0 offer.

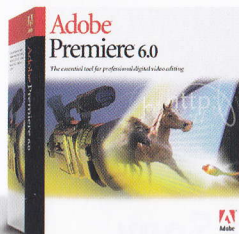

Terms and Conditions: The Photoshop 7.0 upgrade offer will expire on June 1, 2003 and is available only to users who receive a copy of Photoshop Elements bundled with a Sony VAIO computer. Offer valid only in the United States and Canada. Pricing is listed in U.S. dollars and does not include shipping, handling and applicable sales tax. Please allow 2-4 weeks for delivery. Offer subject to change without notice.
